

Welcome To Guanzi Institute Press™

Guanzi Institute Press™ is the full service publishing arm of the Guanzi Institute. We help turn your expertise into text books, online training and certification programs. Not only do you gain notoriety as a Published Author but you also gain visibility within your field.

Guanzi Insitute Press provides writing and editing talent, training program design, ISBN number, barcode, and placement at major book retailers like Amazon and Barnes and Noble.

To start, ask yourself a few questions:

1. Are you an expert in your field?
2. Is your market or industry large enough to warrant a training program?
3. Can your expertise be taught via a text book?
4. Are you looking for ways to build your professional credibility?

If you answered yes to all of the questions above then [contact us](#) , be sure to include your linkedin link, wikipedia link, area of expertise, and a short bio about yourself.
